The sponsor's letter, enclosed with this application on agency letterhead, confirms you are a full-time employee of their agency, actively engaged in the selling of rights, but do not qualify to become a Member Agent.

I have read and will be bound by the Canon of Ethics of the AAR.

When I accumulate the experience to qualify, I shall apply for full membership.

My membership will be active as long as my sponsor and I both continue in the employ of the agency, my sponsor remains an active member of AAR and my dues are paid.
